TAPFIN recognized for leveraging predictive data models, innovative engagement practices and its data-driven vision and strategy by Everest Group Managed Service Provider Landscape with PEAK Matrix™ Assessment

MILWAUKEE, Oct. 4, 2018 /PRNewswire/ -- ManpowerGroup (NYSE: MAN) Solutions' Managed Service Provider (MSP), TAPFIN, has been named a global leader for the fifth consecutive year by Everest Group's MSP Service Provider Landscape with PEAK Matrix™ Assessment. TAPFIN was recognized for leveraging predictive data models to deliver comprehensive workforce strategies, its wide range of strong and diverse workforce consulting solutions and industry leading capabilities across regions.

"Our clients look to us to develop and implement talent strategies to meet their unique and complex business needs," said Jamiel Saliba, Vice President and General Manager, TAPFIN Global. "Being recognized as a global leader for the fifth year in a row is a testament to our innovation, increased investment in technology and expertise across all regions. By leveraging proprietary technology, we offer advanced analytics, market insight and competitive benchmarking, which we know is exactly what clients need in tight labor markets around the world."

The PEAK Matrix™ is Everest Group's proprietary approach to assessing the market impact and vision & capability of Global MSP providers. MSPs are evaluated on seven categories, including market adoption, portfolio mix, value delivered, scope of services offered, innovation and investments, delivery footprint, and vision and strategy.

"As one of the largest MSP's in the world, TAPFIN truly has the capability as well as the experience to serve multi-country regional and global operations," said Arkadev Basak, Vice President, Everest Group. "Although it has strengthened its global footprint, it has not lost its local touch - its clients cited TAPFIN's partnership-oriented approach and responsiveness as key strengths."
