**Manpower Inc. Announces Completion and Preliminary Results of  
Exchange Offer for COMSYS IT Partners, Inc.**

MILWAUKEE, WI, USA, April 5, 2010 - Manpower Inc. (NYSE:MAN) announced today that it has successfully completed its previously announced exchange offer for all of the outstanding shares of common stock of COMSYS IT Partners, Inc. The exchange offer expired at 12:00 midnight, New York Time, on the evening of April 2, 2010. Based on a preliminary count by the exchange agent for the exchange offer, a total of 19,787,017 COMSYS shares, representing approximately 89% of COMSYS's outstanding common stock on a fully diluted basis, were validly tendered and not withdrawn in the exchange offer, of which 1,599,160 shares, representing approximately 7% of COMSYS's outstanding common stock on a fully diluted basis, were tendered pursuant to notices of guaranteed delivery. All shares that were validly tendered and not withdrawn have been accepted for payment in accordance with the terms of the exchange offer and applicable law.

Of the shares tendered, cash elections were made with respect to 17,794,582 shares and stock elections were made with respect to 1,992,435 shares. Based on these preliminary results and the terms of the merger agreement, the preliminary proration of the exchange offer consideration is as follows:

- each COMSYS share for which a stock election or no election was made will be converted into the right to receive 0.304 of a share of Manpower common stock, and
- each COMSYS share for which a cash election was made will be converted into the right to receive \$9.81 in cash without interest and 0.135 of a share of Manpower common stock.

These amounts are subject to change based on the final exchange offer results. Manpower will announce the final exchange offer results and the final proration of the exchange offer consideration as promptly as practicable.

Manpower intends to exercise its option under the merger agreement to acquire newly issued shares of COMSYS common stock at \$17.65 per share (the same cash consideration offered in the exchange offer) so that together with the shares accepted in the exchange offer (excluding shares tendered pursuant to notices of guaranteed delivery) it owns more than 90% of the outstanding shares of COMSYS common stock. Following the acquisition of the additional COMSYS shares, Manpower intends to complete a short-form merger through the procedures available under Delaware law as soon as practicable. Upon completion of the merger, each share of COMSYS common stock not acquired in the exchange offer will be converted into the right to receive, at the election of the holder, either: (i) \$17.65 in cash, without interest, or (ii) 0.304 of a share of Manpower common stock (the same consideration elections available in the exchange offer), in each case subject to proration.
